3

Watch the Candidates Roll In

Candidates start applying to your job posting and also complete our 12-15 minute survey that makes the ClearFit magic happen. All applications are then organized in your ClearFit account where you can sort them by best fit, date, or name.

4

Find applicants that will succeed

Those big green checkmarks will let you know which candidates are strong or good fits for your role based on our patented technology that's proven to identify candidates that are 5X more likely to succeed. Invite those with the right fit and right experience in for an interview and sign your winner!

5

Do it again

Keep your job running if you need to continually hire for that role or add more jobs to fill other positions. ClearFit helps businesses hire thousands of roles – once you use ClearFit you'll wonder how you did it without us!
